DISCLAIMER

The views and opinions expressed in this book do not represent those of the institutions the authors may be working for. The authors hereby present, discuss and express their views on the legislations and practices of States, international organisations and other entities only in their scientific capacities.

ACKNOWLEDGEMENT

The directors would like to express their gratitude to the European Commission for its support in the funding and organisation of the seminar held in Chaudfontaine, together with the European Studies Unit of the Political Science Department of the University of Liège. Their gratitude goes also to Mr Wolfgang Lehofer for his inputs in the debates of the “Chaudfontaine Group”.

The directors would also like to thank the participants and authors of the following contributions.

May this raise new scientific interests and debates.

Contents

Part 01.

Concept and impact of sanctions

Chapter 01. Legal concepts of restrictive measures (sanctions)	8
